Thank you for joining our cancer fighting army! In our first 5 years, VeloSano participants have raised over $17 million for cancer research at Cleveland Clinic. 100% of these dollars are already hard at work and have funded over 115 research projects.

Furthermore, the $5 million raised in the first two years of VeloSano alone has generated an additional $14 million in external research grants - a 280 percent return. Some of these projects are now leading to clinic trial.

We hope you are excited for VeloSano 6 and ready to “Bike to cure!” Please use this Event Handbook as a guide to prepare for the weekend. It contains important details such as an event timeline, Rider instructions, safety information and more.

We are grateful for your support and hope you enjoy your VeloSano experience!

Together, we're 100% for the cure,

Team VeloSano

Riding safe is a top priority!

Please follow the rules of the road and take precautions to keep yourself and others safe during the ride. We hope this information is helpful as you prepare for VeloSano and will provide a safe and enjoyable event for everyone.

• **Wear a helmet at all times when on your bike.** A helmet is required to ride in VeloSano.

• Stop at stop signs and stop lights. In Ohio, bicyclists enjoy the same rights as motorists. In accepting these rights, bicyclists also assume the responsibilities for riding in a safe and legal manner. Obey all traffic laws and posted speed limits.

• Ride on the right; pass on the left; and call-out when passing. Always leave room for others to pass on your left and use phrases such as “on your left” or “passing on left” when passing another rider. Never cross the centerline.

• Use hand signals and call out turns, obstacles and debris on the road.

• Ride single file or two abreast when conditions permit. Single file is the safest position. Keep in mind that riding two abreast while going uphill means faster riders must ride three abreast in order to pass slower riders.

• On narrower roads, passing as the third abreast may cause hazardous conditions as vehicles pass riders, pull out of driveways, or are oncoming. Remember, never cross the centerline.

• Always cooperate with VeloSano officials and law enforcement personnel. They will be present at busy intersections – obey their signals.

• Stay on the marked route. Our routes are designed and marked for your safety. Support services are only available to you if you are on the route.

• Give the right-of-way to emergency vehicles. Pull to the right and stop if you hear a siren.

• Watch for railroad tracks and cross them at right angles. Raise yourself off your seat and stand on your pedals to absorb the shock and lower the center of gravity. Look for other riders and let those behind you know of your intentions. Use extreme caution when crossing railroad tracks.

• Stay hydrated throughout the ride and do not rely on thirst. Follow a hydration schedule by drinking water or sports drinks. Do not overhydrate.

FAMILY & FRIENDS
AT THE START OF THE RIDE
Celebrate with us! We encourage everyone from the Cleveland community and beyond to help us send off the Riders on Saturday morning. Get your cowbells ready! We’ll have plenty available!

STAGING
All Riders will launch from St. Clair Avenue in downtown Cleveland, between E. 6th Street and Ontario. Riders will depart by distance as follows:

- 7:00am: Two-Day, 100-Mile & 75-Mile Riders
- 8:00am: 50-Mile Riders
- 9:00am: 25-Mile Riders
- 9:30am: 10-Mile Tribe Riders

Please arrive at least 15 minutes before your scheduled departure.

Rider bibs and bike plates will be color-coded to match the distance the Rider has selected. No Riders are allowed to stage, congregate or start the ride in areas not designated by VeloSano. If Riders stage, congregate or start the ride in areas not designated by VeloSano, they do so at their own risk.

A helmet is required to ride in VeloSano.

RIDER MEDICAL,
COURTESY OF:

Rider Medical will be available at every Rest Stop along the routes, including at Mall B in downtown Cleveland at the start and end of each ride. Please remember that medical volunteers will only provide basic first aid services and will not dispense any prescription medications or treatments. EMT and hospital services will be on call throughout the day at appropriate locations along the routes.
ROUTE SIGNAGE
VeloSano is a rules of the road ride. Please pay careful attention to the VeloSano signage along the routes. In addition to directing Riders, the signage will also alert Riders to specific areas that may require extra caution (e.g., oncoming traffic, potentially hazardous road conditions).

SUPPORT-AND-GEAR (SAG) VEHICLES PRESENTED BY:

SAG vehicles will be patrolling all routes to assist Riders as needed. Each SAG vehicle will include water and basic repair tools. Lexus is the Official Vehicle of VeloSano and proud to provide the SAG Support during event weekend.

PERSONAL SUPPORT VEHICLES
VeloSano has arranged for a significant number of support vehicles and support Volunteers to monitor all routes. We respectfully request that Riders do not have personal support vehicles follow them along the routes.

HELP LINE
Should you need assistance for any reason during the ride and you cannot locate a VeloSano Volunteer, please call 1.844.VELOSANO (1.844.835.6726). This number will also be located on the back of your Rider bib and Rider ID bracelet.

REAL-TIME UPDATES
Be sure to follow us on Twitter @bikeVeloSano for real-time updates. If you opted-in to our text alert system at the time of registration, you will receive event notifications on your mobile device, in the event crucial updates must be provided.

STOPPING BEFORE YOUR CHOSEN FINISH
If a Rider needs to stop before his or her chosen route is completed, the Rider should contact the nearest VeloSano Volunteer, support vehicle, or call 1.844.VELOSANO (1.844.835.6726). VeloSano will determine how and where to transport the Rider. Please be patient as VeloSano staff makes arrangements to transport the Rider, their gear, etc.
RIDING FARTHER THAN YOUR CHOSEN FINISH

If a Rider would like to ride farther than his or her chosen route, the Rider should contact the nearest VeloSano Volunteer or staff member to make their intentions known. Please remember that the fundraising commitment may increase based on the new route selected.

FAMILY & FRIENDS AT FINISH LINE CELEBRATIONS

We encourage guests to attend the Finish Line Celebrations and cheer for our Riders. Please note that food & beverage passes will be available for purchase through velosano.org. Guests will require a food & beverage pass to obtain access to the “Fueling Station” and alcoholic beverages on Saturday, July 20 and Sunday, July 21. The Cleveland-based Finish Line Celebrations will also include activities for all to enjoy.

Guests wishing to attend the Finish Line Celebration at The College of Wooster can purchase food & beverage passes by contacting us at velosano@ccf.org.

THE COLLEGE OF WOOSTER

If you are a Two-Day Rider staying at The College of Wooster, please proceed to the Rider Check-In area inside the Lowry Center to receive your room assignment. Linens, towels, shampoo, conditioner, soap, toothbrush and toothpaste will be provided. If you have a roommate request, you must have either submitted that during the registration process, or emailed velosano@ccf.org. We will do our best to accommodate any requests received before July 1. Please note we may not be able to fulfill all roommate requests.
WEATHER CONDITIONS
Barring severe weather emergencies, VeloSano will proceed despite poor weather conditions. Riders should be prepared for high winds, temperatures ranging from 50 – 100 degrees Fahrenheit, heavy rainfall, and/or a combination of these conditions.

Given that weather can change during the course of the event, weather-related announcements may need to be issued after the start of the ride. Please continue to check social media, the Weather Alert signs at each VeloSano Venue & Rest Stop, and your mobile device if you opted-in to our text message alert system.

VeloSano reserves the right to postpone the ride start, reduce ride length, restrict ride options, or cancel the ride to ensure the safety of its participants. We will do everything within our capabilities to communicate cancellation, postponement, or alteration of the event to Riders as quickly as possible. In all cases, Riders are responsible for their own safety and should use their best judgment when deciding whether or not to continue if severe weather conditions exist.

SHAKER HILL SHUTTLE
Brought by popular demand, Riders looking for a boost on the 50-Mile, 75-Mile and 100-Mile routes can take advantage of our new Shaker Hill Shuttle driven by Lexus. For a $50 donation*, you will be transported in style in a snazzy Lexus up Shaker Hill (approx: 20 miles to the finish line). Sit back, relax and enjoy the cool breeze, music and a fun ride while your bike is shuttled in tandem by our Lexus SAGs. 100% of donations support cancer research.

*Donations accepted on-site only and will be made directly to your personal fundraising page. BRING YOUR CREDIT CARD!

**Riders will be transported on a first come, first served basis.

FUNDRAISING DEADLINE
As a reminder, even though VeloSano rides takes place July 19-21, we have an extended fundraising period. All of our participants, whether you're a Rider or Virtual Rider, have until October 1 to complete your fundraising. Looking for fundraising ideas? Visit velosano.org/resources/downloads and check out our Fundraising Toolkit.

BIG WHEELERS
A Big Wheeler is a Rider who at least DOUBLES the standard minimum fundraising commitment associated with their selected route. Virtual Riders who raise $1,000 or more are also Big Wheelers. We encourage all Riders and Virtual Riders to strive to become a Big Wheeler, as it accelerates the pace at which we can fund lifesaving cancer research.

As a Big Wheeler you receive exclusive perks, including but not limited to the following:

If accomplished by the October 1, 2019 fundraising deadline:
• Digital badge displayed by your name listed on your team roster
• Big Wheeler Recognition Gift*
• Listing in the VeloSano 6 Impact Report

Big Wheelers who crush their goals and double their commitment by Monday, June 10, 2019 receive these perks in addition to the ones listed above:
• Recognition / designation on Rider Bib (Rider’s only)
• One (1) complimentary ticket for the Kickoff Party (Note that Riders already receive 2 tickets with registration. This ticket is in addition to that.)
• Recognition at the Kickoff Party

*Recognition gift will be distributed after October 1 fundraising deadline.

|--------------------|-------------------|------------------|-------------------|-------------------|-------------------|--------------------------|---------------|

LIVING HOPE

VeloSano is focused on not only bringing in significant funds to advance cancer research but also recognize and support our cancer survivor and cancer patient community which we call Living Hope.

Riders, Virtual Riders and Volunteers will be recognized as Living Hope in various ways, including a digital badge displayed by a Riders name listed on the team roster on velosano.org and throughout event weekend, to name a few. While we strive for the day when there will be no more cancer, for now, join us in honoring our Living Hope community.
