## Register to Rally & Raise!

Players of all skill levels can enjoy an **afternoon on the courts**. Register as a beginner, intermediate, or advanced player and compete for a spot in the Finals on the Grandstand Championship Court.

All tournament play is **Open Doubles Teams (Co-Ed)**. Participants registering as an individual must identify their doubles partner during registration and both players must complete registration to be eligible as a pair. Both partners must select the same skill level to be entered into that division.
